#### Race to sign TPPA highlights growing public anger

http://www.world-psi.org/en/race-sign-tppa-highlights-growing-public-anger Trans-Pacific Partnership Agreement (TPPA) advocates are racing to have the deal signed in New Zealand on February 4th, before growing public opposition makes the agreement a political liability. PSI urges affiliates to join the world-wide protests against the signing and let politicians know that they do not want to have a hand in ratifying this dirty deal. After seven years of secret negotiations and corporate lobbying, governments are racing to sign the deal less than three months after making public the 5,... more »

#### Workers in Ghana demonstrate against massive increase in utility tariffs

http://www.world-psi.org/en/workers-ghana-demonstrate-against-massive-increase-utility-tariffs Wednesday 20 January 2016, Ghanaian workers, mostly public sector workers and members of PSI's 8 affiliates in the country, took to the streets along with other civil society groups to protest the recent massive increases in utility tariffs calling on the government to withdraw the Energy Sector Levies Act 899 of 2015 with immediate effect. Organised labour had been negotiating with the government over the 59.2% electricity and 67.2% water tariff increases introduced in early December 201... more »

#### Sign the petition against water privatisation in India

http://www.world-psi.org/en/sign-petition-against-water-privatisation-india A group of trade unions in India is addressing a petition to the World Bank, calling on them to end their promotion and financial support of all forms of water privatisation and acknowledge the failures behind it. To sign, \*please \* \*send your organisation name and country to \* \*waterintern@stopcorporateabuse.org\*\* by January 11, and please help circulate the petition\*! Though unions in India have been fighting the privatisation of water in Nagpur for years, the World Bank and water industry are promot... more »

## UK - Edinburgh UNISON will lobby the City of Edinburgh Council budget meeting on Thursday 21 January 2016

http://unisonedinburgh.blogspot.com.au/2016/01/unison-lobby-against-silent-

slaughter.html?utm\_source=twitterfeed&utm\_medium=twitter UNISON lobby against 'silent slaughter' of council services Edinburgh UNISON will lobby the City of Edinburgh Council budget meeting on Thursday 21 January 2016 from 08.45-9.45 against 2,000 job losses and £160 million in cuts to services over four years. Tom Connolly, UNISON Edinburgh lead negotiator, said: "On top of the existing quest to find £150 million in cuts, the recent Scottish Government financial

settlement means Edinburgh has to find another ... more »

### New ITUC report exposes hidden workforce of 116 million in global supply chains of fifty companies

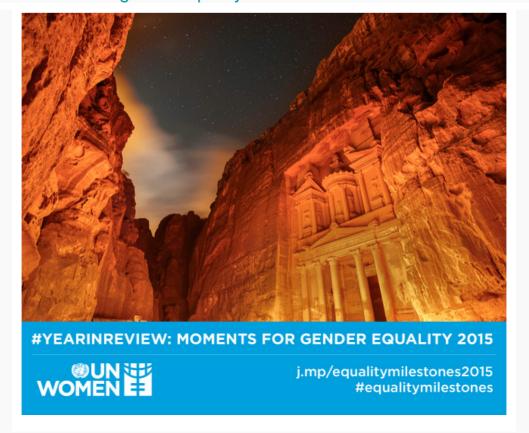

(ITUC Online): The global supply chains of 50 companies employ only six per cent of people in a direct employment relationship, yet rely on a hidden workforce of 94 per cent according to new research from the International Trade Union Confederation. "Just 50 companies including Samsung, McDonalds and Nestle have a combined revenue of \$3.4 trillion and the power to reduce inequality. Instead they have built a business model on a massive hidden workforce of 116 million people," said Sharan Burrow, ITUC General Secretary. The ITUC report, Scandal: Inside the global supply chains of 50 ...more »

### OXFAM - report on Climate Change

https://www.oxfam.de/system/files/oxfam-extreme-carbon-inequality-20151202-engl.pdf \* " Climate change is inextricably linked to economic inequality: it is a crisis that is driven by the greenhouse gas emissions of the 'haves' that hits the 'have-nots' the hardest. In this briefing Oxfam demonstrates the extent of global carbon inequality by estimating and comparing the lifestyle consumption emissions of rich and poor citizens in different countries.\* \*strikingly, estimates of the scale of this inequality suggest that the poorest half of the global population – around 3.5 billi... more »
