

HELPING YOU TO CLAIM YOUR BENEFITS

The Government Employees Pension Fund (GEPF) is concerned with the increase in the number of unclaimed benefits due to the failure to locate former GEPF members or their beneficiaries who have not claimed their benefits upon their exit from the Fund.

The GEPF considers an unclaimed benefits as any claim that has not being paid to either a member, pensioner or beneficiaries within a period of 24 months.

How they manifest

Rising number of unclaimed benefit due to the failure to locate former GEPF members or their beneficiaries who have not claimed their benefits upon their exit from the Fund.

The unclaimed benefits are as a result of insufficient payment information and untraceable members.

Help us by updating your details today and remind your colleagues and friends to do the same.

Often benefits remain unclaimed because of:

- Claims with uncorrected errors over a period of 24 months
- Contributions from a members have ceased without any indication whether or not the member has exited the Fund
- Beneficiaries not claiming benefits following the death of a member
- Untraceable members due to incorrect contact details or information not being updated
- Suspected fraudulent claims
- Members not claiming benefits following the conclusion of their unsuccessful dismissal appeal process

If you are or know someone who did not claim their GEPF benefit or a dependent of a deceased GEPF member who has not claimed benefits due to them, they can contact the GEPF at **0800 117 669** or unclaimedbenefit@gpaa.gov.za
